

## OC.LA.RUG Meeting Invitation – June 21, 2007

Come to Orange County and network with other Southern California Remedy Professionals on June 21, 2007 from 11:30 AM to 4:00 PM. This is a great opportunity to meet other Remedy Support Professionals, BMC Partner Vendors, and BMC Representatives.

### *Schedule of Events*

**11:30 – 12:15 – Welcome and Lunch**

**12:30 – 1:45 - Henry Bryson (Rapid Technologies)**

Our first presenter, Rapid Technologies implements and supports technologies and processes that provide scalable, adaptable solutions, which improve an organization's Service Support and Delivery efficiencies. As a part of this service offering, they have developed a process-oriented approach to delivering BMC software solutions. Rapid Technologies' process emphasizes a commitment to assessing client requirements, developing and implementing a solution tailored to those requirements, and then partnering with the organization to achieve results.

Rapid Technologies, founded in January of 1996, is headquartered in Littleton, Colorado with West Coast operations based in Irvine, CA. For more information about Rapid Technologies, visit <http://www.raptek.com/index.html>.

**2:00 – 3:15 Stan Feinstein (Project Remedies Inc.)**

Stan will discuss IT Governance and Resource Management on the AR System: Managing Proposed Projects and Active Projects (and the Resources Working Them) through their Whole Life Cycle.

**3:30 – 4:00 Questions and discussion**

Lunch is provided and there will be a prize drawing at the end of the meeting.

RSVP to [cindy@ocrug.org](mailto:cindy@ocrug.org)

### *Directions to Kawasaki Motors Corp., U.S.A.*

Kawasaki Motors Corp., U.S.A. is located on the Northwest corner of Jeronimo Road and Bake Parkway in the Irvine Spectrum.

From the 5 freeway, exit Bake Parkway. Head East to Jeronimo Road. Turn left on Jeronimo. Kawasaki is on the left side of the street. Park in visitor parking and register at the front security desk. A picture ID, such as a California Drivers license is required to enter the building.
